Piddle me this

One night last month my husband Harry and I went looking for a quiet back street to fuck in. After a while I told him I was desperate for a pee.

He pulled up and I jumped out and pissed right there by the road. It felt like I was pissing a firkin as it splashed on the pavement and ran down my legs.

While I was peeing a car drove past very slowly. The driver stared pervily at me as I crouched on the tarmac and pissed.

I finished and got back into the car. I was very turned on and so was Paul. He had his big hard cock in his hand and he was wanking it furiously.

I bent over with my wet piss-covered arse in the air and closed my mouth over his bell-end. I swirled my tongue round his helmet and shaft.

As I sucked him off Paul whispered to me that the bloke who'd passed in the car was now standing watching and wanking. Paul beckoned him over to the window for a closer look.

I looked up to see the stranger standing just outside the door wanking his cock.

Paul then shot his hot creamy spunk on my tongue and over my face.

Seconds later the stranger followed, streaking the car window with thick spunk. He then thanked us for a fucking good show and went.

Tease me

This summer, after a bloody hard day at work, I arrived home and was surprised to smell dinner. Chuffed and starving, I kicked off my shoes and headed into the kitchen.

To my astonishment my wife Emma was standing there cooking in stockings, red heels and a pinstripe playsuit. Well, my cock nearly burst through my jeans.

"Hi," she said, with a dirty grin. "Just thought I'd treat my hubby, is that okay?"

"Damn right it is," I said, making a lunge at her to get my hands on the goods.

"No! Wait till after dinner' she said.

But I popped the buttons on her underwear, revealing her smooth, waxed slit. With one hand on her arse and

FUCK IT. FUCK THAT DIRTY LITTLE HOLE AND FILL IT WITH SPUNK

holding my cock with the other, I started slipping it back and forth along her wet slit.

Because of her huge heels I had the angle to just nudge her juicy hole.

Sliding back and forth another couple of times, rubbing her juice along her slit, I was ready to slip it in when she pulled away, and said "Dinner's ready!" Fucking hell, what a tease my wife is!

I consumed dinner in seconds and Emma knew I couldn't handle much more teasing, so she took my hand and led me upstairs. I'm sure my tongue was hanging out as she went up in front, I watched her long legs and gorgeous arse lead the way.

She lay on the bed, unbuttoned her undies and pulled her vibrating dildo out from under the pillow. Opening her long stockinged legs, she started to slide the vibrator in and out of her soaking wet pussy.

I lifted her legs and spread them. Holding the heels, I started sliding my cock up and down her soaking wet pussy and when I found her hole I buried it as deep as I could.

I rocked her back and forth on my cock using her heels before leaning forward, putting her legs over my shoulders and pounded her wet pussy hard, my balls slapping her wet arsehole with every stroke. I didn't even let her catch her breath.

She yelped with every pound, so I reached up and held her by the ankles and gave her a couple of slow strokes before letting one of her legs drop and leaving the other over my shoulder, which moved her more into a sideways position.

I started pounding her again and she grabbed her vibrator and started working her clit till she came hard.

I pulled my cock out and with a grin, rubbed it up and down her arsehole. When I was up to my balls in her juicy back end, we started to grind slowly, Emma starting on her clit again with the vibrator, till I could start stroking my cock in and out of her now totally fuckable arsehole.

I was now giving her my whole length and Emma cried out "Fuck it, fuck it. Fuck that dirty little hole and fill it with spunk. Fuck it hard."

She started cumming like mad, her hole gripped my cock and I could feel I was going to cum to.

We both fucked and moaned until I came hard in her arse, pumping out what felt like a pint of spunk. She ground back and forth making sure she had drained every last drop.

We both then collapsed in a heap exhausted. It truly was a hard day in every sense of the word.

Need trembler

My date Anthony took me to the flicks to see *Only God Forgives*. I'm a bit squeamish so it wasn't my choice of date movie, but he was so up for seeing it I went along with it.

I lasted about half an hour before I said I'd have to leave. I told Ant to hang around and enjoy the rest of the film but he insisted on leaving too.

I felt so daft and guilty that I was desperate to make it up to him. So the first alleyway I spotted, I dragged him down. “Right – anything you want, I'll do it,” I told him. He said not to be silly, that I didn't have to do a thing, but when I talked him around to the idea he seemed to like it. I got a bit nervous when he looked like he was giving it some serious thought, but I knew I could probably cope with anything he thought up.

“Tell you what,” he said. “Pretend we've just met. We don't even know each other's names and all we want is a fuck.”

ZOE, HEREFORD

I actually liked what I was hearing. I already thought he was a great shag, but sometimes he'd be a bit too apologetic or cautious. Once, he spunked in my face after I gave him a blow job, and acted like he'd done something really awful, even though it turned me on.

Now, though, it was like I was fucking a different guy. He was probably a bit hyped up from what he'd seen of the film, and while he wasn't rough or nasty he seemed less worried about going for what he wanted.

I GROUND MY PUSSY AGAINST HIS FINGERS

I started snogging him hard, and he pushed me up against the wall, one hand squeezing one of my tits really hard through my jumper, the other one snaking up my skirt to cup my pussy through my knickers. I felt myself begin to juice, and just in case he didn't yet feel it, I ground myself against his fingers. He got the hint, slipping his fingers inside my knickers and sinking three of them into my hole. His thumb was soon rubbing away at my clit, and within minutes I was cumming, soaking his palm.

So much for making things up to him – I'd had all the fun so far. But he wasn't finished yet. My knickers were flimsy enough that he could rip them off with one yank.

He grabbed me around the arse and braced me against the wall, lifting me slightly so I could slither down his body and onto his cock. Then he started banging into me. Even though he was jiggling me about on his shaft, it pretty much stayed deep inside me.

I'm not heavy but he could probably only hold me for so long. He put his jacket on the floor and asked me to kneel on it, then buttons flew everywhere as he ripped my blouse open. He yanked my bra down – it didn't tear but my tits fell out of it. Then he had me playing with them as he finished himself off by hand. I was dying for him to slap his prick in my cleavage, but it was even more of a thrill to see him wanking his own cock in my face, and even more so when he started spunking on my boobs!

Zoe, Hereford.

SEX WITH ALL THE STRINGS

Knicker bucker glory Daisy Blade's column this month is just pants. Literally.

Generally, I don't think much about sex and underwear, but in the last week what happens with them or to them during sex has been an integral part of my fantasies and foreplay with Mr Boyfriend.

Take them off, leave them on, move them to one side and carry on. It's the thought of the big reveal, my pussy being exposed, that's really got me going.

I should probably state that I'm not the kind of woman that is fussed by expensive lingerie. Don't get me wrong, I enjoy looking at a pretty pair of pants on a woman, but I can never bring myself to buy a pair. I'd rather go for the cheaper, high street stuff and then I don't mind so much if it gets ripped off, torn off with teeth or snipped with scissors. I can literally count on one hand the number or pairs of knickers I have that cost me over a tenner. Sorry if that makes me sound less sexy!

It's not the look or feel of them that turns me on though, it's what Mr B does with them that starts the juices flowing. I think there's a lot to be said for how a man takes off your knickers, but I've only just started to appreciate this.

These spuds are nearly drained

My current fascination began when I was watching some kinky porn and the guy had the woman all tied up. It had been pretty rough loving up until that point, but he slipped her knickers off with such delicacy and care that it made her appear even more vulnerable and innocent. The removing of her panties and exposure of her pussy was the last barrier before she became his. I wanted that!

Texting Mr B, I wrote: "I'm going to wear sexy knickers tonight. How you take them off is up to you..." He was at work, so had plenty of time to come up with an imaginative method.

By the time he got home I was gagging for it. A whole day thinking about how he might take my panties off had worked me up into such a frenzy that I just wanted him to rip them off and to hell with them, but the challenge had been set and I could tell he had something in mind. I'd put on my sexiest pair of Ann Summers knickers (that's as luxurious as I get). They're black and it's a thong, but has a pretty lacy skirt over the top that makes my arse look amazing.

Stripped to just those he told me to lie on the bed. Kissing down my stomach, he looked up at me from between my legs when he got to the band of my knickers and then pulled on them with his teeth. My pussy pulsed; he is such a tease. They moved down only a little bit, as planned, so then he rolled me on my side and did the same thing. The anticipation was delicious.

As more of my hips and arse were exposed, and the fabric gently pulled away, he kissed and lightly nibbled my curves. Using only his mouth and slipping two fingers under the bands – there's nothing sexy about wresting with knicker elastic – he pulled them down. Inch by inch, more of me was laid bare and he kissed the entire length of my legs as he went.

That was it. I was putty in his hands. It was easily the most erotic manner in which my panties had been removed and definitely the only time I've ever been close to climax simply from taking my underwear off. By the time he covered my exposed pussy with his mouth I was ready to cum and it didn't take long.

There's a lot of fun to be had with the taking off of knickers and it isn't a part of sex I'm so eager to rush at the moment. Slow, sexy and deliberate is the key and I'm loving the fact that parts of my body usually overlooked are getting some attention. I just wonder how he'll do it next.

VIX

In a case of blatant police brutality, we predict you will be battering your cock to within an inch of its life, and perhaps pretending it made a false statement that it called you a pleb, after spending a couple of minutes in the company of these mag shots of Vixen. "I love pretending to be a copper, bossing my man around, and getting him to strip and spread for me," says the very special constable. "He's served three years with me so far and I get him off with my bad behaviour, every single night of the week!" Lucky lad!

What's the frig idea?

Hope you don't mind me sending a message to my fiancé Bradley through *Escort*, but he'll be well chuffed to see it – he's off working abroad for a year, so I post the latest issue to him each month.

I just want to say I miss him – and I wish his dick was buried in my cunt right now – but I'm glad that we agreed we could see other people while we were apart. I tried to be faithful – at first, I'd spend Friday nights in with my sex toys, watching all our pornos and fucking myself to oblivion.

But I've realised that a fake cock won't always do it for me – I need the real thing, a big pole of meat banging in and out of my hole, making me scream out loud and then spurting its jizz inside me.

So I've been going out on the pull. I've been honest, telling anyone who I fuck that it's just for fun, a one-night stand. No phone numbers, and sometimes I've even given a fake name.

I'll admit I often cop off with married men – you know it's no strings, then. I feel less guilty and it's easier to ask for what I want. The other night, after a conversation with Bradley about the horniest times we'd had, I went out and brought a bloke home to re-enact them. He found it a bit strange at first, the way I kept telling him what to do, but when he realised he was in for a good, dirty time of it, he shut up and went along with it.

I had him back on the bed, sat reverse on his cock. He was kneading my arse cheeks as I gave his tackle the same treatment, working his length up against my oozing pussy and rolling his bollocks around in his sack.

HEY, I NEED A BIG POLE OF MEAT BANGING MY HOLE

I rose up and stuck him inside me, circling my hips to stir things up as I fucked him. Then I pulled off and guided his wet length to my arsehole.

He held me open as, slowly but surely, I inched him into my arse, my tight chute gripping him as he slid

CLARA, YORKS

deeper. Immediately, I started to frig myself, cumming wetly all over his balls, my ring squeezing his prick.

He played it cool, just kept on fucking, but now my arse was used to the size of him up it, I started to fuck him faster, crouching on my feet instead of my knees for more bounce.

I couldn't see his face. I wasn't imagining he was Bradley – not much, anyway! – just a cock that was giving me massive pleasure. I could hear that he was getting close, though, groaning louder and more often until finally he shoved in balls-deep and I felt the spunk geyser out inside me.

I fucked him absolutely ragged that night. The next morning, he was struggling to get out of bed. I said not to worry, I'd let myself out. He asked what was going on with me that I'd screwed him so hard, I said I just liked sex!

So… Bradley, when you read this, I miss you loads and when you're back no other bloke is going to get a look in – or his cock in.

And to the readers of *Escort* – if my letter got you going and you're up for fun, you may get lucky if our paths cross!

Clara, Yorkshire.

REAL WIFE SEX

Janine, Shropshire

An email mix-up in the office leads to some spam in Janine's inbox, writes Max

Working freelance over the summer, I tend to get a lot of jobs here and there doing holiday cover. Recently I was standing in for a bloke – I'll call him Glen – and part of the job involved fielding enquiries that had come through to his work email.

When something arrived from the HR department, I just assumed it was a work matter. Instead it was a description of what Janine, one of the HR girls, intended to do to his cock with her mouth. I laughed – it's hilarious getting something like that out of the blue – but if she was half as dirty in real life as she was in her emails, I wanted to meet her! The bit when she went on about licking his pre-cum all over his bell-end was what got me.

I probably should have binned the email and left it at that – just pretended I hadn't seen it. But I couldn't resist emailing Janine to let her know Glen was on holiday.

Five minutes later, this pretty girl with long blonde hair walked in, trying to stay calm but obviously panicking. She led me out to the corridor and just started begging me not to report her. I said I'd keep my gob shut and asked her if she'd joined me for a drink after work.

I wouldn't have ratted on her if she'd said no, and I don't think I was twisting her arm to come down the pub. A couple of white wines and I'd learned more – how Glen, the twat, was this married bloke she'd been mucking around with and how he'd just fucked off on holiday without telling her. Also, while she'd panicked over getting in trouble at work and maybe even losing her job, being thought of as a slut didn't bother her. She kept on looking me in the eye, and then I felt her playing footsie with me under the table, stroking a high stiletto heel gently up my leg.

She stroked my juddering length

As I saw it now, any time spent drinking was shagging time wasted, so we cabbed it back to mine. I said we should start off with a blowjob, as in the original email, and Janine reckoned that was a fair call! I'm pretty well endowed and I saw Janine's eyes widen when she got her first look at my prick.

Then she sat me down on the bed, stroking my juddering length. She took little licks at it, darting her tongue in and out of her mouth, which was enough to get the pre-cum oozing out of it. Then she lapped it all over my bell-end, which felt every bit as horny as she'd described.

But I wanted more and she soon put me out of my misery, sucking it properly this time. She managed to get both hands on my shaft, fist over fist, squeezing and massaging as she licked my

SPUNK MAIL!

helmet like an ice cream, then closed her lips around it. Suddenly she released her grip and let it slip all the way down her throat.

Now she was sucking away, tongue rippling against my cock, cupping my balls, and rolling and pressing them against her chin. I felt myself start to strain as I tried to hold back, which just made her suck me all the harder.

That was it – my helmet throbbed against the roof of her mouth and jet after jet shot out. I thought she'd swallowed it straight – instead she'd let it pool. She opened her mouth wide, stirring a finger in it and pulling out a sticky string. Then she threw her head back so it could run slowly down her throat.

We spent a bit of time lying on the bed, me rubbing her to orgasm, then I asked what Glen was into. "Just shagging me, really," she said. He didn't seem to have much imagination, this bloke! Janine did, though, when I let her have her wicked way. She laid me back on the bed then climbed on top, trapping my cock in between her crotch and my own belly, wriggling into position so it was resting along her slit. I could feel the juices streaming out of her hole, and then she slipped her fingers under my helmet and started rubbing it against her clit.

She did the splits over my cock

I think she brought herself to another little orgasm – she was so wet and wriggly anyway it was hard to tell! Then she guided it inside herself. When it was halfway in she suddenly took this sharp breath. The movement seemed to go through her entire body, pulling her pussy muscles in and up, so it felt like she was

TRUE BLUE

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Frostrup was unconvinced by the Hay Festival's new direction

Author of one hundred books and counting, erotic writer Peter Birch reveals the strains of writing one-handed...

Wedding crushers

Writing erotica for a living can be hard work, in every sense of the phrase. The biggest problem an erotic writer faces is his own horniness. Penning stories that are designed to sufficiently stimulate the reader so they're turned on for sex, or to use the material so they can orgasm themselves, has an effect on the writer too. Well, we are still human and so if you're not getting turned on by your own writing then you're doing it wrong, or you're a hive-being from the planet Xub!

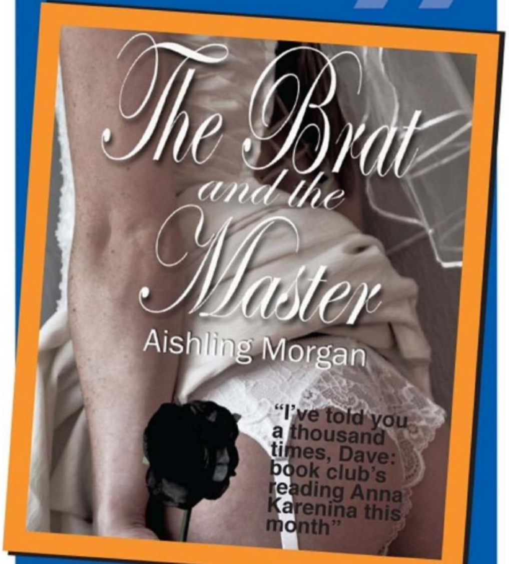
With my 100th book, *The Brat And The Master*, recently released and although I've written a lot, there are still times when you need to cum because you can't write properly any more! Putting it bluntly, you start writing gibberish. If the wife is available, great; if not, then it's a quick one off the wrist followed by a peaceful coffee before getting back to it. This issue far outweighs writers' block, which is for amateurs and primadonnas.

Before becoming a writer, I would read books like *The Story of O* and always felt I could do better. It is non-erotic writers like P. G. Wodehouse (and his subtle references to spanking in the Jeeves series) that influenced my style. Much of the inspiration for my novels comes from personal experience and my long involvement with the fetish scene. Remembering those times and putting them into ink is bound to turn me on.

Thousands of things I've done have ended up on page. For example, back in the 90s, my wife and I organised an exclusive little club, with no more than 50 people, most of whom were couples. There were two members who owned a farm, so we would have meetings and run pony play sessions and little cart races. The pony scenes in my first novel, *The Rake*, are pretty much straight from what we had been doing at the meetings.

But it is spanking I enjoy writing about, and where reality most influences my writing. I pride myself on long, involved descriptions, many of which come from real encounters. My writing always contains plenty of spanking, but I have very broad tastes and must have included just about everything short of the most extreme, violent fetishes, which I dislike.

> **"If the wife is available, great. If not, it's a quick one off the wrist and back to work"**



"I've told you a thousand times, Dave: book club's reading Anna Karenina this month"

Visual imagery is important too, such as clothing (especially from the 50s and Victorian times), uniforms, anything sexy and stylised. I also like anything that can arouse strong emotions, such as exhibitionism, watersports and bondage, especially predicament bondage. Unlike regular bondage where the character can't escape, predicament bondage is when they are tied up in a clever way so that they may be able to get out, but with consequences. A simple example is someone tied up so she can escape, but only by getting out of her clothes. So you've got a choice: you're either stuck to the fence, or you're running through town naked. That's the predicament.

These things are sexy to me, but I appreciate that they're not necessarily sexy to everybody. While there's always plenty of conventional sex in my books, if I left out the kinky stuff it would really just be hack work. Of course, there are some occasions when I want to write about a sexual act, but I've never done it myself or I need to write from the perspective of a woman. At these times it's important to do the research and even speak to someone that has done it to get an accurate account so the story stays true and sexy.

I've discovered there are some themes or concepts that are better left out of good erotica. For example, death: sex should be about life! I dislike euphemism: for goodness sake call a cock a cock and not a rod of love or virile appendage! Condoms may be necessary in real life, but not every sex scene needs a description of the contraception involve. Also, this is erotica, so no shutting the bedroom door – keep the lights on and the viewpoint up close.

My top tips for successful erotic writing is that you should follow her fantasies (if you're writing for a lover or partner), use sexual words that appeal to your reader and get the pace right. Too fast and it won't work, too slow and she'll lose interest. It should take around the same time you would want to spend turning her on with foreplay.

A LOAD OF BALLS

with TAYLOR + VICKI

Readers kindly inform us that the magazine is a load of old balls of these days, so we thought we'd live up to our reputation and drop two of our finest fun-loving models, Vicki and Taylor, into a ball pool and let them fight it out for shagging rights. "Oooh, balls! I prefer mine hot, hairy and heavy!" giggles Vicki. "I've got a great trick where I pop a pair in my mouth and slide a lubey hand up and down the shaft. They only last a minute or two!" "That's about how long I'm going to last if you carry on rubbing my clit like that!" groans a hot and bothered Taylor!

TIANA

Big, bouncy breasted Tiana is spilling all over the place, and not just out of her sexy scarlet basque. No, she's admitting things that Pope Francis would blush at through the confessional screen. "My best sexperience was getting six of the best cocks pumping between my breasts and filling my cleavage with a tsunami of todger-juice," divulges the Dartford dolly bird. "I think I get more of a buzz out of having my tits fucked than my pussy. Maybe it's something about seeing those balls swell, rear then disappear before covering me in cream!" Something we're sure readers are going to experience themselves very soon!

Smear taste

SARA, E. SUSSEX

My girlfriend Sara knows her way around a pussy – as you'd expect because, as well as being a dyke, she's a practice nurse for a GP!

One time I called for her at the surgery, on the way out to see our friends. And when I saw the examination table in her office, I said we could try a bit of roleplay!

She looked shocked – obviously she's got to be professional at work. But I wasn't letting go of the idea! One night a few weeks later, I called by after hours when I knew she'd be there catching up on paperwork.

I said I had an ache in my pussy and could she take a look? She gave me a massive talking to, saying she'd probably get sacked if we got caught. I totally ignored this and said, "I'll just take off my knickers, shall I?"

She sighed, then snapped a latex glove on, squirting a load of lube over it. She sort of went into work mode, on autopilot, like she was seriously looking for something wrong. Then she winked at me and started fingering my hole. She fucked it hard, her other gloved hand playing over my clit, the rubber adding to the friction. Then she dipped two fingers in the lube and started probing my arsehole too.

I took over playing with my clit – my free hand over my mouth so I didn't scream too loud, and it was like my moans went through my body instead, making me shudder all over as I came.

Now she got right into it, telling me I'd have to bend over the table so she could check me from another angle. She wheeled her chair over to me and sat behind me, spreading my legs a little, then splaying my cheeks so she could tongue my cunt again and get me wetter.

She said my pussy was shrinking and tightening through lack of use – yeah, right! – and she'd need to perform an emergency procedure. Then she rummaged in a drawer and took a vibrator out of there. I still don't know why she kept one there, I was just glad that she did.

She started fucking my cunt, fingers still playing on my clit. Then she switched over, jamming three of them in my hole as she turned the vibrator on. Somehow she managed to squeeze my most sensitive spots in between the tip of the toy and her finger, so I was almost sobbing with pleasure.

"You're still orgasming fine," she said in her medic's voice, as I started cumming.

I returned the favour with my tongue. She pumped her hips against my mouth and I tickled her G-spot with a finger, which I knew would finish her off. Almost instantly she started cumming, and I felt a forceful spurt of juices over my thrusting tongue.

After a night of rampant fucking in our bed, she decided to call in sick!

Melanie, East Sussex.

ABBI GO FUCKY!

You can always bank on the Abbi. This sex addict from Surbiton works in a high street bank branch, but it isn't just in work hours she takes all-comers' deposits. "I may seem pretty staid at work but I have a very colourful sex life after clocking off. Last Friday I wore this sexy purple underwear under my smart work clothes and got picked up by my boyfriend. I stripped down to my undies in the car and sucked him off as we drove to a swingers' night in Wimbledon. Then he let me have all the fun I could handle — a lot of cock and even some juicy pussy from a pair of loved-up lesbos!"

In a case of Dale or No Deal, Iris made her husband take her to Settle in North Yorkshire for a dirty weekend away. In November? Really? Was the North Pole full up? STRONIC BOOM BOY

This mind-blowing sex toy from quality designer Fun Factory should be the next addition to your pleasure chest this Christmas. The Stronic Eins – translated as Strong One – is like nothing we've ever tested before. It's certainly more than an enthusiastic vibe mode on your average sex toy. This is more of a thruster, wanting to plunge to the depths of your vaginal hot-spots like no other toy on the market. The Stronic doesn't rely on some weird spring-loaded mechanism or wave motion. It has one elongated motor that moves back and forth to create a most life-like thrusting action. Scroll through 10 different pulsating modes – there really is enough variation that you can mix up your tempos, just as you would in a realistic sex session. Fully waterproof, made from the highest quality silicone and fully rechargeable.

WRAPPER'S DELIGHT!

I start Christmas Day with about a pint of Bucks Fizz – I'm not going to get a buzz from a Terry's Orange and Mary Poppins on the box. Things would be better if I had something like Charlie Z and her stunning hatpegs to unwrap on Christmas morning.

DEAR JULIA

Dear Julia
I've just finished reading vol 32 no 11. Wow! This might be the best issue of *Escort* yet! First of all you give us the absolutely gorgeous Raphaella – she is amazing! One of the sexiest women I've seen. Then you give us delectable Samantha dressed as a devil. I've never wanted to be a pumpkin so much in my life! And then as if those two aren't enough, you went and gave us the perfect Sherry! Her pictures will keep me going for a long, long time. By the way, can I add my vote to that of Alex from Milton Keynes? I too would love to see you in *Escort* again. Thank you, and keep up the good work!
Michael, Cumbria.
P.S. Please can you ask Sherry if she'll let me have a pair of her knickers?

Riff Raph

Sherry's pie

Julia says: More Raphaella coming very soon, Michael. And there's plenty of her to go round... we love a big curvy slut with monstrous jubblies!

Dear Julia
Sinking into a hot bubbly tub with cover girl Ava has been my fantasy ever since purchasing vol 32 no 12! I would wash and soap every inch of her, paying attention to her lovely round bum cheeks and the little tuft of hair sitting pretty at the top of her neat, tasty-looking pussy. Then I'd lie back and let her return the favour with an all-body soapy massage!
Patrick, Walthamstow.

REAL WIFE SEX

Janine's story continued from page 21

sucking my cock up inside her. I let her fuck me for a few strokes then I started fucking her back, thrusting up as she played with her own tits.

"I'll have a bit of that," I thought, and grabbed them myself, cupping the globes while she pulled really hard on her nipples. Whatever that did for her it was good for me – her pussy was clenching around my shaft again. She was slim and really supple, her body moving like a whip over mine, leaning forward then suddenly she'd sit upright, pussy directly over my stiff, hot shaft.

"Spread your legs," I groaned and soon she was virtually doing the splits over my cock. It only took a little tickle on her clit to get her cumming hard – this little trick I'd learned. She looked at me like she couldn't quite believe what was happening to her. When her orgasm died away she flopped forward, squirming as I took an oversensitive tit in my mouth. Then I rolled her on her back, without pulling my cock out of her cunt.

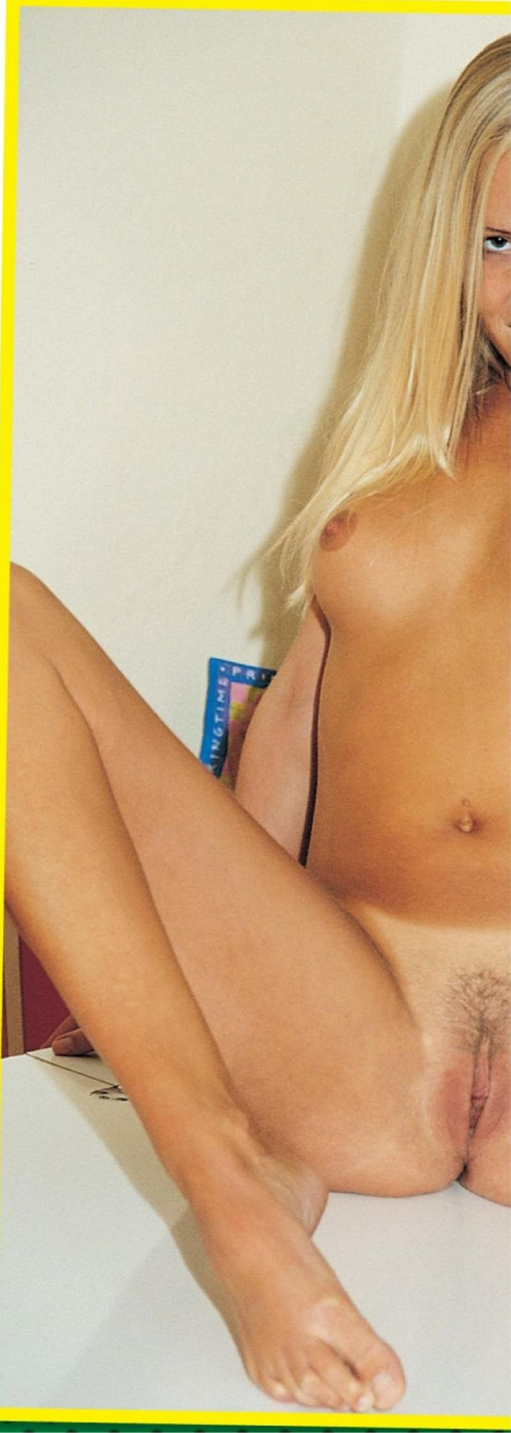
Her cunt clenched my shaft

Eventually we managed to find the perfect deep-penetration position, Janine's cunt stretched tight around the entire length of my prick.

I could have stayed inside her like that, just let her pussy do the work around my shaft, but pulling out then thrusting back in again let me enjoy the deep-plunging sensation over and over.

I told her how I reckoned she liked being the office slut, how she shouldn't worry about getting sacked over a poxy email – instead she should just let me fuck her in my office on my last day, everyone crowded around us watching

Watch us make each other cum



and wanking as we made each other cum. Something worth getting sacked over! She was seeing this in her mind, nails digging into my shoulders as she hung on.

This tight pussy deserved a drenching. I thrust in deep and started spunking, then pulled out slowly so I could dribble the last few gobs of jizz onto that ravenous cunt opening.

I've got more work at Janine's company, so we've been enjoying a lot more risky business. She's dumped Glen, letting him find out why for himself when he saw her draped over me down the pub. But we text rather than email, just to be safe!

Get busy with the Lizzie! Readers of a certain age may remember a breakfast TV fitness freak of this name who used to threaten early morning viewers with early coronaries by insisting they jump around performing purgatorial exercise routines instead of pulling the duvet over their heads, masturbating before the snooze alarm went off again and eating their own body weight in black pudding (not all at the same time). "I'm a morning person too!" smiles this Lizzie. "But only for rampant sex, then back to a nice lie-in for me!"

LILY, CORNWALL

Mobile moan

The other day, I found a mobile phone someone had lost down my local. It had "Home" in the contacts, so I called the owner, a girl called Lily, and offered to drop it off at her place the next day.

She asked me in for a cup of tea, and offered me some cash to thank me for my honesty. I said no need – what was a bloke like me going to do sparkly pink handset anyway?

"Give it to your missus?" she suggested, in quite a suggestive voice. She looked like a bit of a minx too.

I answered that I didn't have a missus to give it to, and the banter just went on from there. The ring on her left hand told me she was someone's missus, but if she wanted to mess around, that was between her and her other half.

Either she wore slinky, expensive undies every day or she was out for fun even before I arrived. She stripped down to this deep pink matching set of lingerie and hold-ups, and made me promise not to breathe a word.

She also seemed to be the type of bird who's used to getting what she wants, ordering me around, telling me how she liked to be touched and so on. Not that she protested when I grabbed her round her slim waist and dragged her over my knee.

I pulled her silky knickers right up into her crack, then told her to remember what this was about – her thanking me for giving back her phone, not me coming round to service her.

Next thing, I had my hand inside her knickers, fondling her snatch. Then – unable to resist taking over – she got up, pulled them to one side and plonked herself down on my lap, gyrating for her own

lane attraction

Staying at my mother-in-law's is never fun. She's a cow and the walls are thin so I can never fuck my husband.

So last time I told him to say we were going to drive to the shops as I was gagging for a shag.

He'd barely parked in a country lane before he was shoving my seat back and snogging the face off me and pulling my tits out, mauling at my nipples with his mouth.

I let out a gasp as his hand went up my skirt and inside my knickers. Taken by surprise I still wasn't very wet, but I felt my pussy start to juice up rapidly as his fingers probed my clit and hole.

There wasn't room to strip off so he just pulled them aside and unzipped himself. Then he got on top of me. He's quite a big bloke and I like to feel his weight pressing on my crotch, splaying my legs wide open.

We snogged again and I was clawing at his back, sticking my hands up his shirt to get to his skin. I didn't want to hurt him, but the feel of my scratching nails sent a shiver through him as his prick slid up my cunt.

He fucked me deep now, grinding in circles, squeezing my clit against my pubic bone. Normally I cum from having him rub it but this felt different, like a big, warm glow slowly spreading out from my crotch, then a sudden shudder hitting me from nowhere. I moaned loud, rising to a yelp as he started sucking on my tits again, and he strung it out.

"Like that?" he asked, and I moaned that I did. Then he said he was going to finish off in my arse. I hesitated and he asked how horny I'd feel walking into his mum's house knowing I'd just been slipped a length up the bum.

That convinced me – he got off me and I rolled over and grabbed my handbag from the back seat, seeing what I had to lube myself with. Slowly, and using a blob of hand lotion, he guided his knob inside me, then we lay face-down on the seat, me feeling like he was deeper in me than he'd ever been. I couldn't keep from moaning so I buried my face in the headrest, breathing in the smell of the leather.

When I came this time it was quicker, sharper. Then I felt his bollocks empty into

pleasure as I got my cock out.

She reached underneath herself, wanked my shaft a few times, then stuck me inside her, squirming her arse and splaying her thighs to take me deep. All the while she was frigging her own clit and, once she started to cum, she was off again and again.

CONTACT ME

I got the feeling she liked it a bit rough – she was certainly bouncing on me hard, and when I grabbed her tits and gave her nipples a pinch, that just set her off even more.

As she cupped my balls, I felt them tighten up and knew I wasn't far off my own climax. I just kept hold of her tits, then nuzzled and mauled at the back of her neck, raking her soft skin with my stubble, as her soaking, sucking pussy got me off.

A big load of cum – mine and hers – splashed out all over my cock and balls. I watched her frig herself, and her pussy pumped out even more as she orgasmed.

Mark, Cornwall.

I FELT HIS BOLLOCKS FLOOD MY ARSEHOLE WITH THICK WARM CUM

my arsehole, flooding it with thick, warm cum.

Having our dirty little secret over his mother just made it easier for me to tolerate all her bullshit that weekend!

When we parked outside our house that Sunday, I wouldn't let him go in until I'd given him a thank-you blow job. I don't think that anyone saw us, but I can't be sure, given that I was headfirst in his crotch at the time…

Rebecca, Devon.

Strap Dance

BLINDFOLDED, I QUIVERED IN ANTICIPATION

The other night, I went over to my girlfriend Thea's place. After a couple of drinks and a light dinner, she tied a black silk blindfold over my eyes and led me though to the bedroom.

KATIE, ILFORD
£60

She laid me out on her big bed and pulled my legs wide open, and my body quivered in anticipation of her tongue against my slit. But she left me in suspense for few minutes and then I felt something much bigger bump up against my crotch.

She felt her way up the front of my body, giving my tits a stroke and a squeeze. Then she pushed the blindfold up and off my eyes. I blinked against the light then looked down to see she was wearing a massive strap-on.

It was like my girlfriend had suddenly sprouted a big, stiff cock and shaved balls instead of the tight, tasty pussy I loved licking so much!

Thea has always been good at roleplay and, when I started sucking on her dildo and felt up the bollocks, she acted like she did when I was eating her cunt. I tried to deep-throat it and didn't quite manage the whole length, but it felt like I had a giant, perfect dick in my mouth. I didn't even mind that it tasted different to the real thing – Thea likes wearing rubber and I've often gone down on her through her tight fetish panties.

Now she told me to open my legs for her again. I parted my legs and felt the tip of the dildo, hot from my mouth, bump up against my cunt. It looked enormous, bigger than any cock I'd ever taken. But I was sopping wet from all the messing around we'd done and she lubed the whole length of it again, so it slid up me in one push. I took it easy, but it stretched me so wide.

It was like getting fucked by two people at once. If I shut my eyes, I could imagine I was taking it off a big-dicked bloke. Then I'd open them and see it was Thea again.

She fucked me in and out for a while, then stopped humping and ground up against me instead, angling herself so she caught my clit. Soon I was right on the brink of cumming my brains out.

She let me orgasm around the dildo, my fanny clenching and trembling until I was totally spent. I lay there for a moment, panting.

"Now it's my turn!" I said.

Katie, Ilford.
